Not advised to try to enter the normal drive right now

About 200 blocking the drive. No PD assistance and too far out there for SRT to really help.

I guess I'll hang in the area until I can get in. I'm on the road.

Yeah

You can drive by on 25 th. Don't enter though.

10-4

Supposedly some reinforcements are enroute to eventually clear the crowd.

HA HA

Im make a Fuck ICE sign, put a

I was thinking to use my vehicle. It is already jacked up from this morning.

you can ride with me if you want.

What happened to your car

Not in your vandalized 'pig' car LOL 🐷

Right side mirror, rear window wiper. And PIG scrawled into the side.

Message the vandals?

By the way, this is all done, I may have the other side fixed...

Don't want you getting flagged at your hotel with the etching on the side

If you have a loaner, I can take it.

Ok we will figure out how to get it to you,

How is it looking out there? Can you make it to the district office?

I can this afternoon.

Evidently, WH, DOJ, BP are going to ensure that things calm down.

What happened to your vehicle?

It was the one on TV.

Broken passenger mirror,
broken rear wiper

And "PIG" Keyed into the paint

I didn't see the footage, I'll look for it now,

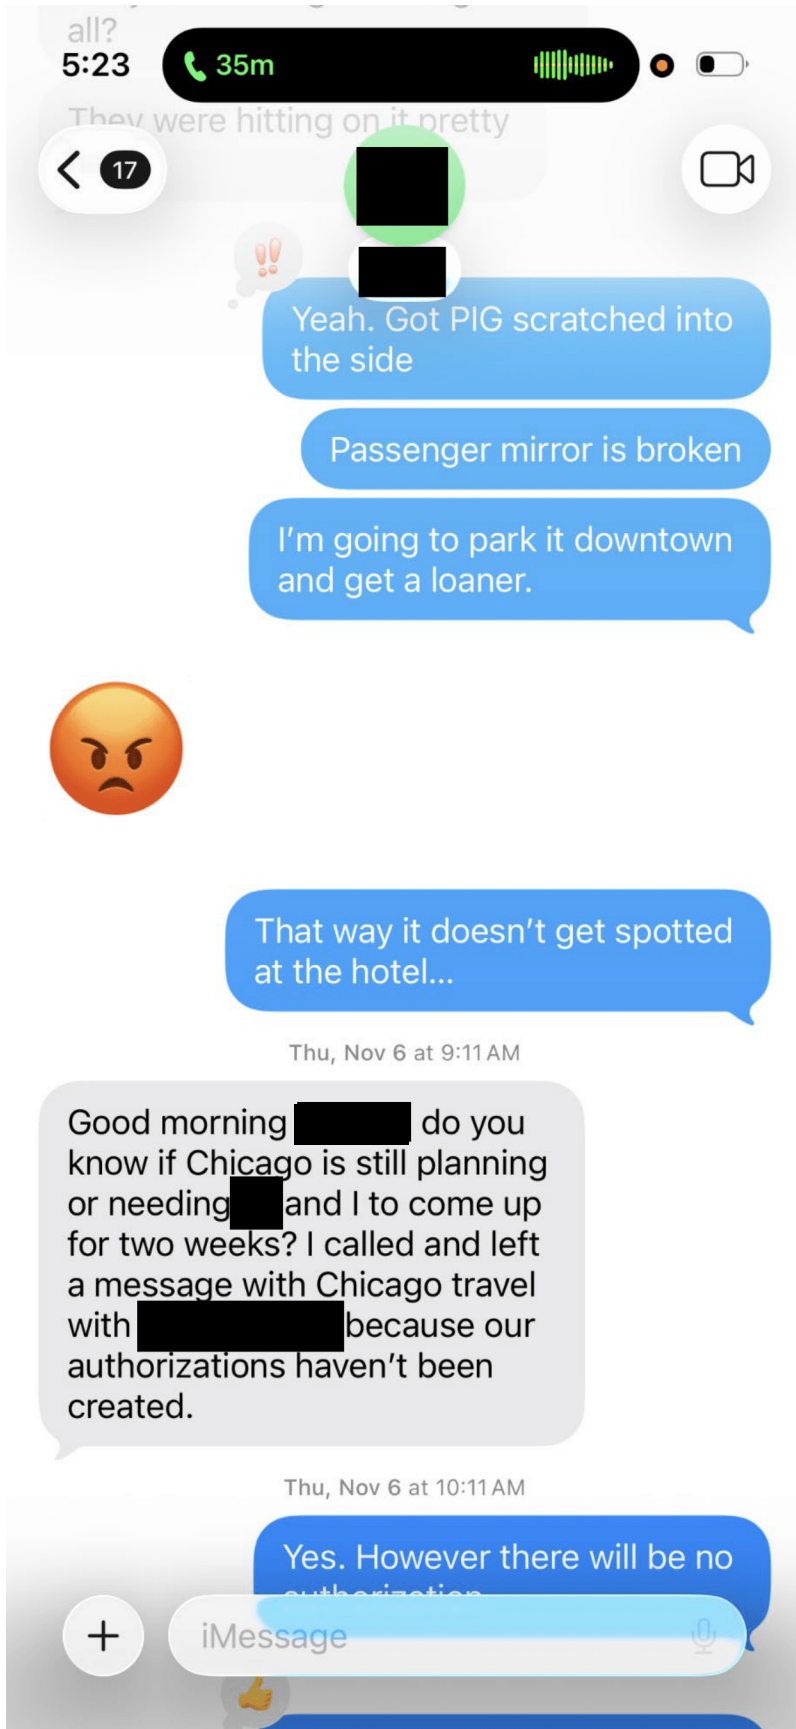

Where is the vehicle now???

Do you need a loaner?

I am still driving it. It is fully functional. The broken mirror is a hassle, but I don't know if it is worth the trouble to get it fixed in the midst of the storm.

By the time this is all done, I may need the other side fixed...
